Dear Ms. Siegfried:

Enclosed are two unsigned copies of your requested permit.

In order to make this permit valid, please read the conditions of the permit carefully, complete both copies including signature, printed name, title, and return both copies in the enclosed, self-addressed, postage-paid envelope. Your copy of the fully executed permit will then be returned to you.

You are cautioned, however, not to begin work under the terms of this permit until you receive the fully executed document, as such action would be in violation of Federal law.
